

ASSA RECORDS

Provincial Records

Provincial records may be established in all A.S.S.A. approved events, at A.S.S.A. Sanctioned swim meets and only when swimming in the appropriate age category, in individual events. Individual Provincial records may also be established in a relay event when a swimmer swims up. The record will stand in the swimmer's registered age group.

The Application for Provincial Record form should be completed if it is believed that a Provincial record has been broken or tied. The application form, the original lane card and a copy of the complete results shall be sent to the Records and Trophies Chairperson. The Meet Manager shall ensure that the application bears the required signatures. A copy of the completed application and lane card should be faxed to the Records and Trophies Chairperson within 48 hours and the originals should be mailed immediately following the swim meet. **These originals must be received prior to the record becoming official.** The Records and Trophies Chairperson shall record the qualifying Records and certificates will be sent to the swimmer(s) named on the record application.

No records set shall be set after the Provincial Swim Meet in any year.

Provincial records cannot be set in out-of-province meets.

A.S.S.A All Star Team Records

Any new records established by the All Star Team members at the "A" Provincials or at any other meet as defined in Bylaw 15.19 will be determined from the officials results of the Meet **as provided by Swim Alberta** and the certificates will be sent to the swimmer establishing the new record(s).
