

Swim Alberta On Line Registration/Officials Form

Swim Alberta's registration and officials data is confidential information. We do not divulge the information to outside agencies and always exercise our best judgement when asked for contact information from people outside the Alberta swimming community. We value the privacy of our members and we want to extend our concern to the internet as we move our registration/officials system on line. As before, the club registrar/chair of officials is the custodian of the Registration/Official data for each club and only the registrar/chair of officials should have access to it. The registrar/chair of officials will be given password protected access to the club data and they should exercise the same good judgement they always have. The waiver below is meant to formalise this idea. Upon receipt of the signature of the registrar/chair of officials and club president, the registrar/chair of officials will be given access to the site, via the email provided.

Waiver

As registrar and/or chair of officials for my club I agree that I will not share my password with anyone without the consent of Swim Alberta. I will use the system as it is intended, for the purposes of maintaining the club registration and officials data with Swim Alberta.
